ALEX MORGAN

PRODUCT DESIGNER & VISUAL STORYTELLER

Shanghai, China / alex@example.com

SELECTED RESUME

FICTIONAL DEMO / 2026

01 ABOUT ME

I turn complex problems into thoughtful, approachable experiences.
Curious about the space where design, technology and people meet.

02 EXPERIENCE

Lumen Studio

2023 - PRESENT

Senior Product Designer

Led the design of a collaborative workspace for creative teams.
Built a flexible design system with accessible, reusable components.
Partnered with engineering to turn prototypes into shipped products.

Northstar Digital

2020 - 2023

Product Designer

Designed intuitive tools that make everyday work a little simpler.
Worked across research, interaction design and visual storytelling.

03 SELECTED PROJECT

Bloom / A calmer way to work

An independent exploration of focused, more intentional work.

Research / Product strategy / Interaction design / Prototyping

04 EDUCATION & TOOLS

BA in Communication Design

Fictional School of Design, 2020

Figma / Framer / Design systems / Creative coding

This resume and all work descriptions are fictional demonstration content.
